沙达娜化妆镜

LED MIRROR SOLUTIONS

The best reflecting true beauty to offer

Company Profile

Zhongshan Sadhana makeup mirror factory specializes in manufacturing LED table makeup mirrors, LED wall-mounted makeup mirrors, LED customization mirrors, LED makeup mirrors for hotel project, hand held mirrors and so on.

We've provided one-stop services to our customers relying on our keep-improving technology and professional structural analysis since the establishment of 2000.

Our factory covers more than 3000m² and advanced equipments were invested, a CNC machining center, milling machines, lathes, drilling and tapping machines, heading machines, pipe-bending machines, polishing machines and soldering equipment for manufacturing the mirrors.

We comply with the principle of seriousness, rapidity, promise keeping. Satisfying the customers' demands and solving their problems with innovative products and services based on our strong talent pool and modern equipments, Zhongshan Sadhana wins the customers' support from all over the world.
